## Continuous Improvement Seminars By Academic Year: Cycle 4

Following is the schedule for the College of Education's fourth cycle of program review. Non-NCATE programs are listed in italics; Continuous Improvement Seminars for these programs are scheduled to coincide with the AU academic program review cycle. NCATE programs, with the exception of School Counseling, will participate in the AU academic program review during the same year as the NCATE visit, 2014. Continuous Improvement Seminars for these programs are scheduled across Cycle 4 with consideration given to dates of previous seminars.
